Discover India Series

The intent behind this series of posts is to market India as a land of endless possibilities, and showcase some of them to the target audience, prospective interns browsing through our Instagram or LinkedIn pages.

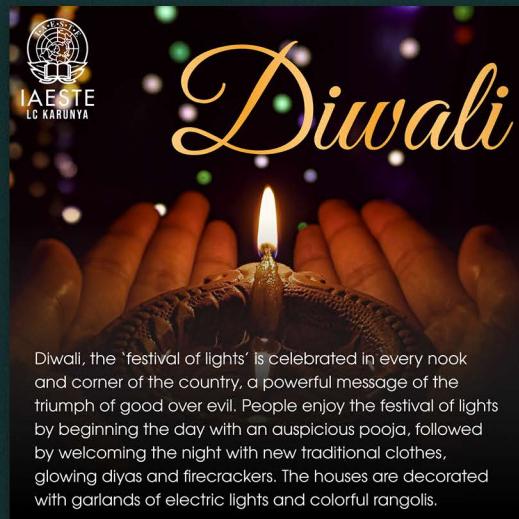

Festivals of India

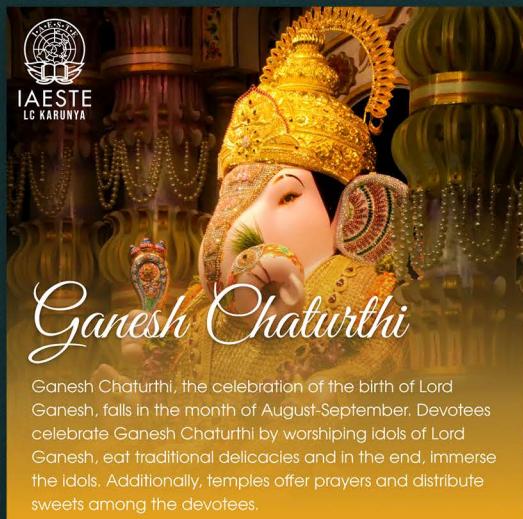

This post gives prospective interns a glimpse of the vibrancy and diversity of Indian festivals. It highlights how we celebrate our unique and varied cultural identity, and gives them yet another experience to look forward to.

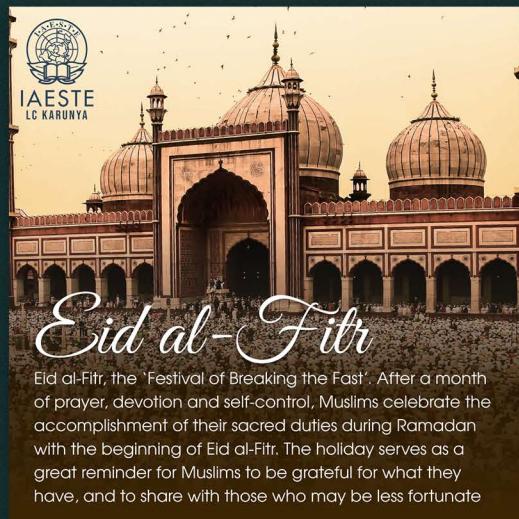

Holi, the 'Festival of colors', is one of the most revered and celebrated festivals of India and it is celebrated in almost every part of the country. On the day of Holi people play with colours with their friends and families . On this day people unite in celebration, forgetting all resentment towards each other.

Diwali, the 'festival of lights' is celebrated in every nook and corner of the country, a powerful message of the triumph of good over evil. People enjoy the festival of lights by beginning the day with an auspicious pooja, followed by welcoming the night with new traditional clothes, glowing diyas and firecrackers. The houses are decorated with garlands of electric lights and colorful rangolis.

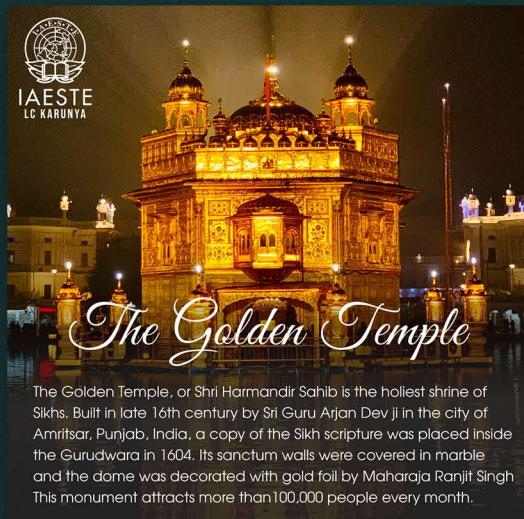

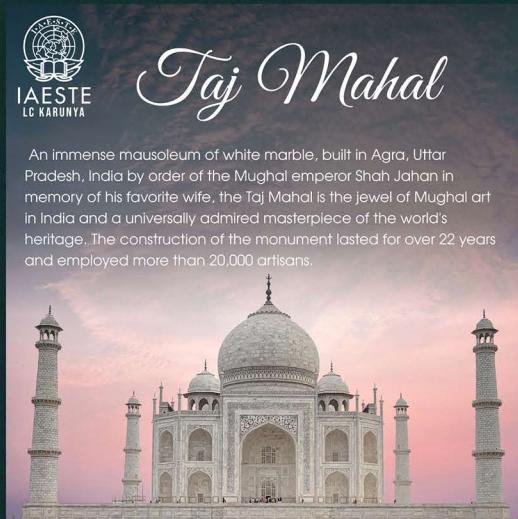

Ganesh Chaturthi, the celebration of the birth of Lord Ganesh, falls in the month of August-September. Devotees celebrate Ganesh Chaturthi by worshiping idols of Lord Ganesh, eat traditional delicacies and in the end, immerse the idols. Additionally, temples offer prayers and distribute sweets among the devotees.

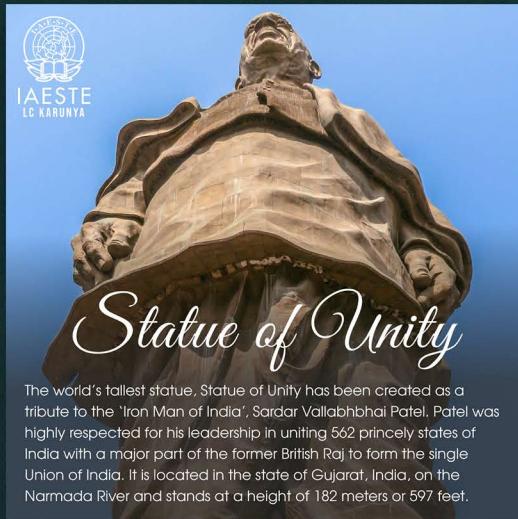

Eid al-Fitr, the 'Festival of Breaking the Fast'. After a month of prayer, devotion and self-control, Muslims celebrate the accomplishment of their sacred duties during Ramadan with the beginning of Eid al-Fitr. The holiday serves as a great reminder for Muslims to be grateful for what they have, and to share with those who may be less fortunate.

Monuments of India

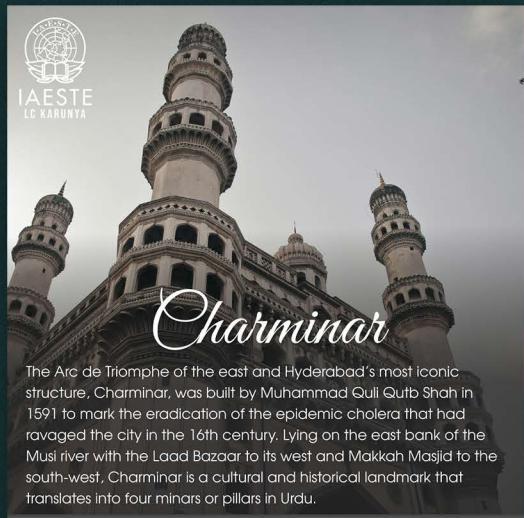

India is known for being the land of riches and treasures, and our monuments. The melting pot of cultures has resulted in unique structures, memories set in stone lasting through the ages. This is India at its core.

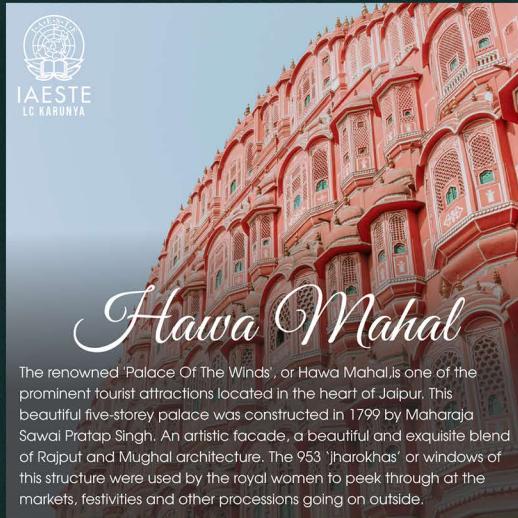

The Golden Temple, or Shri Harmandir Sahib is the holiest shrine of Sikhs. Built in late 16th century by Sri Guru Arjan Dev ji in the city of Amritsar, Punjab, India, a copy of the Sikh scripture was placed inside the Gurudwara in 1604. Its sanctum walls were covered in marble and the dome was decorated with gold foil by Maharaja Ranjit Singh. This monument attracts more than 100,000 people every month.

The world's tallest statue, Statue of Unity has been created as a tribute to the 'Iron Man of India', Sardar Vallabhbhai Patel. Patel was highly respected for his leadership in uniting 562 princely states of India with a major part of the former British Raj to form the single Union of India. It is located in the state of Gujarat, India, on the Narmada River and stands at a height of 182 meters or 597 feet.

The Arc de Triomphe of the east and Hyderabad's most iconic structure, Charminar, was built by Muhammad Quli Qutb Shah in 1591 to mark the eradication of the epidemic cholera that had ravaged the city in the 16th century. Lying on the east bank of the Musi river with the Laad Bazaar to its west and Makkah Masjid to the south-west, Charminar is a cultural and historical landmark that translates into four minars or pillars in Urdu.

The renowned 'Palace Of The Winds', or Hawa Mahal, is one of the prominent tourist attractions located in the heart of Jaipur. This beautiful five-storey palace was constructed in 1799 by Maharaja Sawai Pratap Singh. An artistic facade, a beautiful and exquisite blend of Rajput and Mughal architecture. The 953 'jharokhas' or windows of this structure were used by the royal women to peek through at the markets, festivities and other processions going on outside.

HOW GOD'S WORD TRANSFORMED ME!

Ravi, the person who **STEPPED ON TO A RAILWAY TRACK TO END HIS LIFE**, encountered Jesus there on the track, turned back, and is now the MD of a Company. He would physically harass the Gideons for distributing New Testaments. But now, he has come to know the Lord through the same **GIDEON NEW TESTAMENT**, which was gifted to him by a friend. This led him on the path to Salvation and a **LIFE TOUCHED BY CHRIST**.

Sudha grew up amidst different beliefs. A red Gideon New Testament intrigued her and she saw reflections of Jesus among others. She accepted Jesus as her Saviour and this liberated her. She shared her experience with her father who also accepted Jesus. Sudha thanks the Gideon community for their passion.

HOW GOD'S WORD TRANSFORMED ME!

Garima was a very **TROUBLED AND REBELLIOUS** teenager who attempted suicide at 17 years of age. She received a **GIDEONS NEW TESTAMENT** one Christmas eve and the words 'Honour your father and mother' greatly impacted her. She started reading the New Testament daily and felt great power in the words. But she was still not at peace and was determined to end her life. She was on her way to the highway to commit suicide, weeping and disregarding the promises in the Bible as false, when the Lord spoke to her in a peaceful yet powerful voice saying, 'Garima, I have been calling you since so long. Why are you not coming to me?' And as she heard His voice, she felt immense peace within, and instantly gave her life to Jesus. Having chosen Jesus over family, she had to leave home. She is now a **PASTOR AND A STRONG LEADER**

HOW GOD'S WORD TRANSFORMED ME!

Robert D'Roza and family lived in **abject poverty** which was dehumanising. He had a rough childhood, would go to school without any food, lived in deep sadness and dealt with an alcoholic father. One day, as he was having disturbed thoughts, he found the **Gideons New Testament** which was given to him at school and for the first time in his life, he felt that there was a ray of light streaming into his dark world. He started ministering to his family and over the years brought his family to the Lord. He is now a **Pastor serving the Lord** for the past 30 years.
